## **22. How to pray?**

*This is one of the great gifts contained in the TLIG Message. The Messages teach us, in a unique way, how to pray.*

## **23. When to pray?**

*The Messages again in a unique way tell us how never to forget God's presence, how to be continually in pray, without being continually on one's knees.*

## **24. What to pray?**

*In the TLIG Messages, God has dictated to Vassula at least 100 beautiful prayers, as well as the TLIG Prayer Meeting Guidelines Book shows us, meditations on the Rosary and Stations of the Cross, dictated to Vassula by God.*

## **25. Is there a resource for help with specific problems we have with our prayer group? Like: One person tends to dominate our group / the people disagree about how long it should last / one person likes to do healings and most of us do not trust him/her. / We have a person who comes to our group with their own messages from God. / Our group is very small we want some new blood – how do we grow?**

*Humility and love and openness to the Bible and the TLIG Messages are the only way for a Holy Spirit filled TLIG Prayer Meeting. All the problems you mentioned mean that some people in the Prayer Group are not following the teachings of the TLIG Messages. Sometimes to resolve some of these problems it is necessary for a Prayer Group to go on a TLIG Retreat, led by someone who really reads and lives the Messages and to temporarily suspend the TLIG Prayer Meeting until after the retreat.*

## **26. I read a lot of Maria Valtorta and other visionaries. Can I bring these materials to a TLIG prayer group?**

*No other spirituality should be brought into a TLIG Prayer Meeting, Vassula is very insistent on this. The spirituality of TLIG is unique, it does not need the support of comparison with any other spirituality, the spirituality of TLIG contains in itself all one needs in one's spiritual life.*

## **27. I have the gift of healing and get messages from God as well. I think I want to start a TLIG prayer group how do I proceed?**

*No one can bring anything into the spirituality of TLIG; we all come to the spirituality of TLIG to receive, as God told Vassula we have nothing to give God, only our will, which means doing as God tells us in the TLIG Messages.*

## **28. Would it be ok to have the people in my other prayer group recite a prayer or two from TLIG even though they are not aware that they are TLIG prayers?**

*It is not appropriate to use TLIG prayers outside TLIG. We must use every opportunity to lead people to read the TLIG Messages. TLIG spirituality is unique, Vassula is very insistent that the TLIG Messages must not be mixed with other spiritualities.*
